

Terra de Falanis

Bla Bla Bla

VT Mallorca

Vintage 2016

Grape variety 60% Prensal, 35% Callet, 5% Muscat

This wine comes from vineyards in the Felanitx region, where the nature of the soil - locally known as Call Vermell - provides a unique character and balance to the grape. A small-scale production and extremely careful selection of the grapes provide a fresh tasting finish.

Wine making Fully manual harvest in 10 Kg boxes. Once at the winery, grapes are individually selected. There is also a maceration process followed by soft pressing and careful racking. Fermentation takes place at 16°C.

Aging The wine is aged and fermented in stainless steel and concrete tanks, while kept in contact with its lees for 4 months.

Alcohol graduation 12.4% vol.

Acidity 5.9 g/L

PH 3.18
